

Player Movement Table

Guidelines

- A player can't play **below their age** division
- If playing **within their age division**, a player can play in any grade higher.
- Once **5 games** have been played in a higher grade a player can no longer play in the lower grade.
- Generally a player can only play for an equivalent or one equivalent grade higher or lower than their current grade.
- A player from Sub Primary can fill in for any Primary Grade by permit only.
- **Ages shall be taken as at the 31st December in the year of the competition.**
- **A player is eligible for seniors if they turn 16 during the year of competition.**
